May 16, Mark rated it did not like it Shelves: Gertrude Stein was an American writer who spent most of her life in France, and who became a catalyst in the development of 3 Lives art and literature. Which actually isn't definitely praise. I should have called it a 10 percent 3 Lives because this book was a struggle for me. Needless to say I was shocked and totally taken aback. The flow of this novella, although long and repetitive, was still strong. Extremely repetitive and difficult to follow, I tried forever to get through it. 09, Dan rated it liked it.
